SIR,

With reference to Government Order No.8834-40/Edn.462-09-24 dated 1st May 1913, sanctioning, among other things, the organization of the Chamarajendra Technical Institute, Mysore, I have the honour to inform you that in the revised scale of the staff of Instructors sanctioned, no provision is made for the employment of a Machine Instructor which is now found to be absolutely necessary. At present the second Drawing Master has been doing the duties of Machine Instructor, to the detriment of efficient work in the Drawing Section. At a meeting of the Managing Committee of the Institute, held on 11th June 1914, it was resolved that an application for the employment of Machine Instructor on a salary of Rs.40 per month should be made to Government. In these circumstances, I request that Government may be pleased to sanction the above post, the requisite charges for

for the current year being met by reappropriation of funds which will be suggested in due course.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General.
